1st Just let them know, that either they are with us or against us. 2nd Armed patriots should do road blocks and don't let the police interfere, like a patriot highway, that's the way police works, they block roads to stop people from coming in, we just have to do this to them. Fuck if antifa does it and they are a bunch of punks, we can do it to.

Requiring the wearing of red white and blue is retarded if you're going armed. You should have on a plate carrier with battle belt minimum and no one has that gear in flag colors.

Same things happened at the Battle for Berkeley.

Patriots did a peaceful free speech rally, cops checked and took anything that could be a weapon from them. But let antifa keep their fireworks, smoke, glass bottles, chains, pepperspray etc. Cops stood down and did not help patriots (just arrested them). DC is even more left/corrupt than Berkeley so I would not count on having the cops help you. History shows differently. However, at the end patriots prevailed.

Flags with sturdy poles, show your patriotism. Long strong umbrellas, be prepared for bad weather. Walking canes, protect your knees.

Sealed goggles, keeps tear gas and mace out of eyes. Face mask with chemical neutralizing filters. Chained purses with all your heavy coins, do not want these things to walk off on their own.

TASERS OR STUN GUNS? Is it legal to own a taser or stun gun in District of Columbia?

Yes. A person 18 years or older may possess a stun gun in the District of Columbia, although it may only be used to protect themselves or their property. No one other than a law enforcement officer is allowed to possess a stun gun in a building or office occupied by the District of Columbia government, a penal institution, secure juvenile residential facility, a halfway house, any building that is occupied by a children's facility, preschool, elementary or secondary school, or any building or grounds in which the owner or occupant clearly posts forbidding the carrying of a stun gun.

[D.C. Code § 7-2502.15]

CHEMICAL SPRAY/PEPPER SPRAY? Is it legal to buy or use chemical spray/pepper spray in District of Columbia?

Yes, a person may use a self-defense spray only as reasonable force to defend themselves or their property. However, it must be propelled from an aerosol container and there are restrictions on the chemical mixtures, labeling and dating.

[D.C. Code §§ 7-2502.12 and 7-2502.13]

They also allow people to brawl in front of them, wary of possibly escalating the violence if intervene.

You think if thousands of people come armed with weapons they will step into that? People are a short hair from pulling the trigger right now as it is...

1. The blue will have to choose.
